Open Position

Job Title: EVR Support Specialist

Reports To: EVR Support Manager

Department: EVR Support

FLSA Status: Non-Exempt

Location: Lexington, South Carolina

Posting Dates: 2/7/19 – 2/21/19

SUMMARY: Professionally and courteously, provides personalized service and support to our customers; Partners with other teams to ensure exemplary customer service and provides critical support to customers, management, and DDI employees in a broad range of activities.

ESSENTIAL FUNCTIONS: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily, with or without special accommodations.

BENEFITS: Benefits offered include: Medical, Dental, Life, Vision, Short Term Disability, Long Term Disability, Critical Illness/Cancer policy and a 401K.

SHIFT: 11:30 AM – 8:30 PM, Monday – Friday with a 1-hour break. Occasional working on Saturday and holidays will be required.

Position Responsibilities:

- Provides customer support by responding to inquiries regarding DDI's ELT and EVR program as well as other service software as needed.
- Serves as a support specialist for EVR support inquiries received directly from customers or other DDI support specialists.
- Assist DDI software developers with resolving customer and/or DMV EVR related issues.
- Analyzes customer requests received by telephone, live chat, fax and e-mail.
- Responds promptly to customers to ensure superior customer service within DDI's service level agreements. (Calls and chats must be answered within sixty (60) seconds; faxes and e-mails must be responded to within two (2) hours)
- Assists in multiple areas of the business as dictated by need, including but not limiting to, creating/altering templates for automated service emails sent through our system and onboarding needs by creating a sortable spreadsheet table to keep track of the information.
- Serves as a general conduit between support and the development team while performing less support technical duties that can be done without escalation to the software developers. This support may include the use of software tools, including SQL, for different areas of the business to provide and/or update information needed to service the customers in sales, onboarding, off boarding and normal usage.
- Assists Account Representatives with key account management.
- Assists Title Center with QA questions and out of state titling.
- Assists in verifying daily reports for various EVR states.

Supervisory Responsibilities: None

COMPETENCIES/KNOWLEDGE/SKILLS/ABILITIES:
